The drive to Cooktown is only 25 minutes north and is sealed all the way to the Lodge driveway which is hard packed granite. Coming from Cairns, Black Mountain is located a short distance from the Little Annan River crossing on the inland Mulligan Highway. This road is sealed all the way from Mareeba, Lakeland, Kings Plain then the Little Annan River. Our 4 km driveway (Mungumby Rd) is off Shiptons Flat Road remains unsealed but passable in a 2WD May - Jan. We recommend an all wheel drive in the months of Feb & April. Travelling the infamous coast road, the road is sealed till Cape Tribulation and then again sealed after the Bloomfield River, this is one of the most scenic coastal drives one can do, we recommend north – south due to views and road information. The coast road is frequently closed between Feb & March due to swollen river crossings. Our property is well sign posted on the Mulligan Highway and coastal routes. Flying there are 2 flights a day, 7 days a week.
